

## **BRABUS MARINE REVEALS THE NEW SHADOW 1200 CROSS TOP BLACK OPS SIGNATURE EDITION**

The ultimate crossover for limitless adventures on the water and a new dimension of BRABUS Marine's luxurious 45-foot range.

**Düsseldorf, 18.01.2025** — *Take your adventure to another dimension. At 45 feet, the all-new BRABUS Shadow 1200 Cross Top model combines the benefits of open-air freedom and enclosed comfort, delivering exceptional versatility and an entirely unique onboard experience — designed for boating enthusiasts in search of limitless adventure and luxury, regardless of season or weather.*

The BRABUS Shadow 1200 Cross Top is the latest newcomer to the exclusive Shadow 1200 range of 45-footers, boasting a peak performance output of 1,200 horsepower, adaptive drivability and premium comfort inspired by the BRABUS "Masterpiece" design philosophy. This powerhouse makes a bold statement on the waves: redefining next-level style and luxury while keeping you connected with the elements, guaranteeing adrenaline-fueled rides no matter where your journey takes you.

### **A STATEMENT OF POWER AND PERFORMANCE**

Equipped with triple Mercury Racing 5.7-liter V10 engines, the BRABUS Shadow 1200 Cross Top Black Ops Signature Edition unleashes a staggering 1,200 horsepower (883 kW), making it one of the most powerful BRABUS Shadows ever built. Effortlessly cruising at 40 knots and reaching top speeds of up to 55 knots, it delivers performance unparalleled in its class, ensuring thrilling adventures on the open water.

At the helm, you control every cubic inch of the Shadow 1200's power in a clean, functional and uncluttered cockpit that is packed with the best in modern marine technology, ranging from the Intelligent Steering Module that controls bow thruster, trim tabs and audio to the innovative Simrad navigational touchscreen displays and optional extended navigation package. The driving experience is further enhanced with Mercury's JPO (Joystick Piloting for Outboards) joystick steering, including Skyhook and Mercury autopilot features as well as reverse and night vision cameras.

Created for true adventurers, this Cross Top model provides a connection to the elements unlike any other, while ensuring high-class comfort with its sheltered helm area. The weather-protected cockpit keeps the excitement of open boating alive in all conditions, allowing you to enjoy high-speed thrills without compromise. The dual electric sunroof above the helm adds an extra touch of convenience and functionality. Every adventure on the BRABUS Shadow 1200 Cross Top offers a perfect mix of high-performance thrills, protection and luxurious comfort.

### **LUXURY AND VERSATILITY BEYOND THE MAXIMUM**

Blending power, innovation and style: the BRABUS Shadow 1200 transforms every moment on the water into an unforgettable journey with its BRABUS typical aesthetic, thrilling performance and an undeniably luxurious ambience. Courtesy of its modular layout, it is designed to accommodate a wide range of activities, making it ideal for both thrilling rides

and laid-back social hangouts. Whether you're planning a casual day trip or a longer journey, the Cross Top is built for flexibility, adapting effortlessly to all types of adventures.

Beyond its breathtaking performance figures and Signature styling, this Shadow stands out with its expansive social spaces, including the foredeck and the front lounge with gullwing doors, the helm and cockpit area with large seating space around a centered wet bar and various optional aft deck layouts to choose from. With up to two wet bars—one centrally located and another integrated into the fender box at the stern—there's ample space for entertaining guests. The illuminated, fully brabusized balcony doors extend the onboard area. Further accentuate your adventures with premium JL Audio systems, full RGB ambient lighting or an entertainment wall in the front lounge.

### **CRAFTSMANSHIP ELEVATED TO ART**

The BRABUS Shadow 1200 sets a new standard for luxury craftsmanship, combining hallmark attention to detail with the finest choice of materials. From carbon fiber accents to the bespoke leather upholstery of the cabin interiors, every element of this vessel is meticulously crafted to create an exceptional experience. The BRABUS Sign of Excellence guarantees that every journey aboard the Shadow 1200 is nothing short of extraordinary.

The new Cross Top model, available as Black Ops Signature Edition, impresses with its "BRABUS Graphite Black" paintwork and upholstery colors in BRABUS Graphite, as well as Signature style graphics that run across the entire exterior design concept. Sleek hull badges in black chrome set further unmistakable accents. Owners who want the ultimate BRABUS Signature look can opt for the bespoke outfitting package, including roof racks, waterski frames and roof pillars finished in striking BRABUS Red.

The dedication to luxurious comfort and passion for detail continues inside the front cabin and optional aft accommodation with distinctive carbon fiber elements, BRABUS Masterpiece Leather as well as additional BRABUS Sign of Excellence badging. Every aspect of the BRABUS Shadow 1200 is an homage to high-performance boating, making it the ultimate choice for those who demand both superior power and refined on-board luxury.
